

## Artworks

Yasmine Matar

*Yasmine Matar (She/They) is a Japanese major at Portland State University and will be graduating of spring 2024. After graduation Yasmine plans to move to Japan in hopes to attend language school or work for an international events organization to be able to connect with people around the world who enjoy Japanese media.*

### **Untitled**

This is a watercolor piece of Honebami Toshiro standing in the battlefield from a popular Japanese mobile game, Touken Ranbu.

**Untitled**

This is an illustrated still life acrylic piece of a statue of a squid, watering can, and a small plush of a Sanrio character, Gudetama, dressed as another Sanrio character, Hangyodon.
